### **Dual listing on Social Stock Exchange segment of ISDX**

Ashley House plc (the “Company”), the Extra Care Housing and Health Property partner, and founding member of the Social Stock Exchange (SSX) is pleased to announce that it has today applied for admission of its issued share capital to trading on the SSX segment of the ISDX Growth Market. Such admission is expected to take place on or around 10 February 2016 and a further announcement will be made in due course.

For the avoidance of doubt, the Company will remain admitted to trading on AIM following admission to ISDX.

Antony Walters, Chief Executive, commented:

*“Ashley House is a founder member of the Social Stock Exchange (SSX) and is delighted to take this step to dual list now that SSX has a formal segment on a market. This will operate alongside our existing listing on AIM. Through the new listing we look forward to our business being more visible to investors seeking shares in companies with strong social values.”*
